

Swindon Town Football Club Selects QRails to Provide an Exceptional Platform for Fan Engagement through an Integrated Payments, Stadium Entry, and Loyalty Solution

Denver, CO (September 7, 2018) — QRails, Inc., a financial technology company offering sophisticated integrated processing and program management services, today announced that Wiltshire-based Swindon Town Football Club (STFC) has chosen QRails as their technology partner for an integrated, real-time payments, stadium access and loyalty solution.

Needing a real-time, integrated payment solutions that utilizes modern software tools to enhance customer experience, further strengthen client loyalty, and provide added benefit to season ticketholders, STFC found those attributes and more with card payments' newest processing company, QRails.

QRails' MasterCard-branded payment solution will be integrated with the stadium's entry system, the Club's existing loyalty program, Apple Pay and Google Pay to provide mobility, convenience, and an exceptional user experience. QRails' cloud-based, SaaS delivery model, and RESTful APIs underpin the delivery of this innovative sports club solution.

"We anticipate being able to expand our affinity program by utilizing the latest technology in the payments industry. QRails opens up an exciting new channel for the Club and our sponsors to engage our supporters," said Mark Isaacs, Chief Operating Officer of STFC. "The QRails payments platform is agile, allowing us to meet our customers' needs today and tomorrow."

"QRails is always excited to serve new clients with our open platform and innovative solutions. We're proud to welcome our newest client, Swindon Town FC." Stated Naseer Nasim, CEO of QRails. "With QRails processing and program management, we are enabling our clients to strengthen their customer engagements, add more value to season ticket holders, and improving all key areas of measurement – efficiency, cost, compliance, and security. We are committed to building upon the sophistication of our offering so it's everything our clients can imagine it to be, and more."

QRails currently services a range of clients in both North America and Europe. QRails has expanded its operations to include professional sports clubs, insurance claims providers and corporate incentive programs while continuing to serve financial institutions in the US and Europe. The objective is to more than double revenue over the next 12 months.
